CHANGE YOUR LIFE

## Ice-making Water Purifier for Elevated Living

# Uplift Your Lifestyle

**Coway AIS enhances your everyday life with its ice-making feature and table top design in two exquisite shades.**

Coway AIS is made for those who seek perfection in every facet of life without compromising quality, convenience and aesthetics.

Get ready to uplift your lifestyle with purified ice and water at the comfort of your home, while complementing the ravishing interior design of your taste.

# Elevate Your Everyday Life with Purified Ice and Water

What makes Coway AIS the preferred choice for purified ice and water at home?

## Perfected with Aesthetics and Intelligence

Elevate your countertop with the sleek table top design, now in two colour options: Porcelain White and Pebble Gray. Be in control with My Cup setting as you are able to set your preferred volume from 120ml to 800ml. The ergonomic extraction height of 24cm accommodates most glasses, jugs, and even pots. Not home for the night? Turn on Eco Mode to save energy and pause ice production.

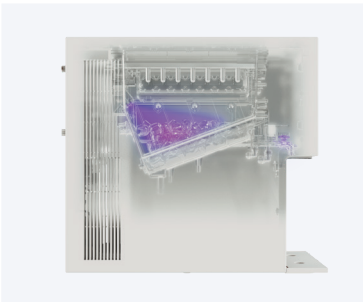

## Revitalise with Pure Icy Solution

Let your glassware sparkle with crystal clear bullet ice, frozen extra clear with pure clean water and stainless steel technology. Ice produced via a fully-automated system is stored in an enclosed UV-sterilised tank for extra peace of mind. Your ice is now free of unpleasant taste influenced by other food items in the freezer or rough flaky edges – just pristine icy perfection in every glass.

## Designed for a Steady Flow

Coway AIS is designed to provide a steady supply of pure clean ice and drinking water for your household. Catered to your daily needs with water tank sizes of hot (1.5L), cold (1.8L), ambient (1.8L) and a dedicated ice tank (0.7kg).

## Reassured by Hygienic Innovation

The all-new automatic Dual UV Sterilisation function from our 6-step water purification system sterilise the ice tank 3 times per day while the water faucet is sterilised 4 times a day to effectively remove up to 99.9% of bacteria (e.g. E.coli, S.aureus, P.aeruginosa).\*

## Detail-oriented for Peace of Mind Experience

Paying close attention to details for a better user experience.

Stainless steel ice production feature for crystal clear ice.

Energy-saving function is automatically activated when in dark surroundings for over 10 minutes with Eco Mode on.

Smart control panel with Ice Lock and Hot Water Lock to avoid accident and protect young children.

Detachable bottom tray for easy cleaning.

## Protected by Complimentary Care Service

Your Coway AIS comes with regular maintenance service every 2 months including thorough cleaning, filter change and technical support to keep your water purifier in pristine, tiptop condition for years of elevated living.

# Perfect Technology For Pure Water

Coway provides the purest water in the highest hygiene standard with its filters of 0.0001 micron pore size. Change your life now, with water purified by Coway.

## Coway 6-Step Purification System

### STEP 1 & 2

#### Plus Neo-Sense Filter

(Plus Sediment + Pre-Carbon Filters)  
Removes particulates, chlorine, volatile organic compounds (VOCs) and dissolves organic and inorganic impurities.

### STEP 3

#### RO Membrane Filter

Removes water contaminants such as heavy metals, harmful organic chemicals, microbes and radioactive substances.

### STEP 4 & 5

#### Plus Inno-Sense Filter

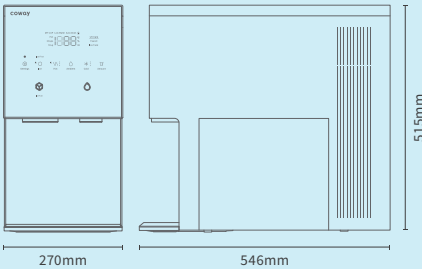

(Post-Carbon + Fine Filters)  
Reduces odours and improves the taste of water.

#### Dual UV Sterilisation

Effectively removes up to 99.9% of bacteria (e.g. E.coli, S.aureus, P.aeruginosa).\*

Coway AIS water purifier underwent rigorous tests in controlled laboratory conditions to measure its performance.
